

## No Interest Profit or Loss Adjustment Form

The undersigned customer (the “Customer”) hereby acknowledges and agrees that this P/L adjustment rider (the “Adjustment”) is hereby incorporated into and made an integral part of the FXDD Malta Limited Customer Agreement, Risk Disclosure and Trading Policy Documents. For accounts on which interest is not paid or received on open rolled positions, FXDD Malta Limited shall calculate and apply a profit or loss Adjustment to the Customer’s account using its posted daily roll rates as the basis for calculation. FXDD Malta Limited shall calculate the profit or loss Adjustment and debit or credit the Customer’s account as of the close of business each Friday. Neither the profit nor the loss Adjustment shall affect available margin until such time as the Adjustment is actually applied to the Customer’s account. FXDD Malta Limited’s failure to calculate and make the Adjustment on a weekly basis does not constitute a waiver of this rider, relieve the Customer of liability for such loss adjustment or relieve FXDD Malta Limited of liability for such profit adjustment.
